and to the acquisition of certain private lands (7) for inclusion therein.

2. The area of the Reserved Forest including 150 acres of Jodi land to be paid for, represents 10,048 acres or 15·7 Square miles, and a demarcation line of 22 yards wide has been laid out around the Forest, and its boundaries have been notified. A printed copy of the Notification is enclosed. This reservation is, I submit, a most important acquisition especially, as it is in the Naidan country of French Rocks Sub-Division. The others are occupied ~ assessed lands situated within the Forest, belonging to Krishnarajpet, Nagamangla and Seringapatam Taluks, and whose purchase is considered necessary for the efficient protection of the Forest. The details of these private lands will be found in the statement submitted by the District Forest officer.
